Whereas, Falun Gong, which is also known as Falun Dafa, is a discipline of personal beliefs that incorporates exercise, meditation, and principles based on truthfulness, compassion, and forbearance. Its millions of practitioners work to attain inner peace, good health, and better skills to deal with stress and conflict in life; and

Whereas, Over the past several years, authorities in the People's Republic of China have taken strong and brutal actions against practitioners of Falun Gong. Reports indicate that tens of thousands of people have been tortured and sent to labor camps, and property owned by those who follow this discipline has been destroyed or confiscated. The aggressive actions taken by the state reflect a systematic commitment to eliminate Falun Gong and those who pursue it; and

Whereas, The persecution of practitioners of Falun Gong is in apparent violation of the People's Republic of China's own constitution and a flagrant violation of standards of human rights recognized by the United Nations and most governments of the world; and

Indeed, those who value human rights seek an increase of efforts to urge the People's Republic of China to halt this persecution; Now, therefore, be it

*Resolved by the House of Representatives,* That we urge the United States Secretary of State to increase efforts to urge the People's Republic of China to recognize and protect the human rights of its citizens and halt the persecution against practitioners of Falun Gong; and be it further

In addition to its role to work for the security of an area of the world wracked by the horrors of wars, NATO has promoted the growth of democracy and accountability that are vital to the well-being not only of the individual countries, but also the future of Europe and much of the world; and

Whereas, Since the restoration of its independence in 1991, Latvia has been a leader among former Iron Curtain countries in developing democratic institutions and fostering a free-market economy. Latvia has already proven its commitment to the ideals of NATO through its work in a host of world and trade organizations; and

Whereas, Latvia has a long and distinguished record of leadership among the Baltic nations. Hundreds of years ago, it was a key member of the Hanseatic League, and Latvia has remained a strategic trading partner with its European neighbors throughout history. From the ruins of World War I, it developed a vibrant economy with democratic principles; and

Whereas, Latvia is strongly committed to NATO's defense priorities. Further, it has set
